Life expectancy is a statistical measure of the average time an organism is expected to live, based on the year of its birth, its current age and other demographic factors including gender. The most commonly used measure of life expectancy is at birth (LEB), which can be defined in two ways. Cohort LEB is the mean length of life of an actual birth cohort (all individuals born a given year) and ...

Lebanon was established in 1920 from remnants of the Ottoman Empire. Its mixed Christian and Muslim population generally lived peacefully under a weak central government until the 1970s. Israel invaded in 1978 to challenge the Palestine Liberation Organization's (PLO) influence in Lebanon and to stop PLO raids on Israel. During the 1980s Lebanon became the scene of intense fighting between PLO ...

In Atlanta, it is very common to see what was formerly a red brick house updated to make it look more European. Case in point: this house in Atlanta started its life as a 1930s Federal style house, but in recent years it was totally renovated (taken down to the studs) and transformed into a Neoclassical masterpiece.

2 Feb 2015 : Coincidence or Divine Providence . God always confirms everything at least twice in His Word for it to be established. However this could present a major problem for some people that are bent on having a 2nd confirmation of Jesus Christ, the only One True Son of God, our Lord and Saviour of the world. There are many types and shadows of Jesus in the O.T. heralding His coming in the NT ...

In my original post on painted brick, architect Rodolfo Castro had just completed this lovely home, and told me that the colors chosen were Benjamin Moore Ballet White -OC 9 for the brick, and Benjamin Moore 977 Brandon beige for the shutters. The colors were selected by Rodolfo and interior designer Jessica Bradley. This is a great picture because it shows the brick in the light and the shadow.
