The term Charters of Freedom is used to describe the three documents in early American history which are considered instrumental to its founding and philosophy. These documents are the United States Declaration of Independence, the Constitution, and the Bill of Rights. While the term has not entered particularly common usage, the room at the National Archives Building in Washington, D.C. that houses the three documents is called the Rotunda for the Charters of Freedom. The National Archives pres

The Charters of Freedom is a term used to describe the group of documents that were created by the founders of the United States of America. These documents were the basis for America to become a true nation that was not oppressed by any other nation. The Founding Fathers wrote these documents and were the catalyst that led America out of the grip of Great Britain.
