Artisans And Sans Culottes Popular Movements In France And Britain During The French Revolution
Artisans And Sans Culottes Popular
The sans-culottes (French: [sɔ̃kylɔt], literally "without breeches") were the common people of the lower classes in late 18th century France, a great many of whom became radical and militant partisans of the French Revolution in response to their poor quality of life under the Ancien Régime. The word sans-culotte, which is opposed to that of the aristocrat, came in vogue in 1792, during ...

The National Convention (French: Convention nationale) was the first government of the French Revolution, following the two-year National Constituent Assembly and the one-year Legislative Assembly. Created after the great insurrection of 10 August 1792, it was the first French government organized as a republic, abandoning the monarchy altogether. The Convention sat as a single-chamber assembly ...
