The sound of rock is traditionally centered on the amplified electric guitar, which emerged in its modern form in the 1950s with the popularity of rock and roll. Also, it was influenced by the sounds of electric blues guitarists. The sound of an electric guitar in rock music is typically supported by an electric bass guitar, which pioneered in jazz music in the same era, and percussion ...

Hawkwind's 13th studio album "Choose Your Masques" was released in 1982, and unfortunately saw the use of drum loops and drum machines growing, which was not the direction that drummer Martin Griffen wanted to go in. Griffen was reduced to a non-live drummer and his participation in this album was only some half hearted attempts to make the drums electronic, which is the direction that Dave ...

David Bowie - 1967 Decca 6 (Mediocre) Best song: Love You Till Tuesday. The first thing that jumps out at me regarding this album is just how hard Bowie is trying to look like contemporary (Between the Buttons-era) Mick Jagger on this album cover. The hair, the sweater, the slight sneer, it's basically dead on. Were they hoping somebody would look at this album cover and think for a second ...
