Healing Food Allergies. I was a pretty complex case with food allergies, sensitivities, intolerance, Celiac disease, leaky gut, limited beliefs, negative trapped emotions and bunches of subconscious blocks to healing. It took a long time. I was afraid to test my improved system and trust in my healing by actually purposefully eating known allergens.

Here are some of the resources I've used on our journey identifying and healing food allergies. I started with a trial of elimination, making a two-week meal plan for every meal using the Everyday Paleo book as a guide. We started in June 2011, and I thought we'd try this for 30 days. We had amazing health improvements, however, and learned at least two of us have celiac.
