History. The historical roots of Catholic eucharistic theology begin with the same sources as do other Christian churches who express their faith in the "bread of life" found in the words of Jesus in Scripture. These include the Hebrew and Christian scriptures, the Church Fathers, and later Christian writers. While the word "Eucharist" (from the Greek) refers to Christ's prolongation of the ...

The two Enlightenment philosophies of Liberalism and Radicalism both shared the goal of liberating humanity from traditionalism. But Liberals regarded it as sufficient to establish individual rights that would protect the individual. Radicals, however, sought institutional, social/economic and especially cultural/educational reform to allow every citizen to put those rights into practice.

Marxism, a body of doctrine developed by Karl Marx and, to a lesser extent, by Friedrich Engels in the mid-19th century. It originally consisted of three related ideas: a philosophical anthropology, a theory of history, and an economic and political program. There is also Marxism as it has been understood and practiced by the various socialist movements, particularly before 1914.

Books about Jesus have always been popular, but in recent years there seems to have been a real glut of them. Up till now none of those I've seen have really tempted me: Barbara Thiering's Jesus the Man seemed like a rather sensationalist attempt to make the bestseller lists (though still a huge improvement on such journalistic trash as The Holy Blood and the Holy Grail), while a basic ...

The Bible is a lot of things to a lot of people, but to Christians, especially, it is a source of inspiration and a guide to daily living.. To others, the Bible is a historical document and a source of controversy. To others still, the Bible is a self-contradictory mish-mash of arcane rules and proscriptions, mostly relevant to long-dead cultures in far away places.
