How To Learn Philology
How To Learn Philology
Philology definition is - the study of literature and of disciplines relevant to literature or to language as used in literature.

Philology | Definition of Philology by Merriam-Webster
Philology, traditionally, the study of the history of language, including the historical study of literary texts. It is also called comparative philology when the emphasis is on the comparison of the historical states of different languages. The philological tradition is one of painstaking textual analysis, often related to literary history and using a fairly traditional descriptive framework.

Phonology definition is - the science of speech sounds including especially the history and theory of sound changes in a language or in two or more related languages.

Phonology | Definition of Phonology by Merriam-Webster
learnsanskrit.org. learnsanskrit.org aims to explore how the unique qualities of the Internet can facilitate the task of learning and teaching Sanskrit. To some extent this site is iconoclastic, for although it owes much to both traditional Sanskrit grammar and classical Western philology, it does away with both whenever they make the task of learning Sanskrit needlessly complicated.

Porcelain, vitrified pottery with a white, fine-grained body that is usually translucent, as distinguished from earthenware, which is porous, opaque, and coarser. The distinction between porcelain and stoneware, the other class of vitrified pottery material, is less clear. In China, porcelain is defined as pottery that is resonant when struck. In the West, it is a material that is translucent ...

Biography. Not much is known about Titus Maccius Plautus' early life. It is believed that he was born in Sarsina, a small town in Emilia Romagna in northern Italy, around 254 BC. According to Morris Marples, Plautus worked as a stage-carpenter or scene-shifter in his early years. It is from this work, perhaps, that his love of the theater originated.
