How the Rich Really Play, "Who Wants To Be An Ivy Leaguer?"

Good technique, in the final analysis, is the proven best and most proficient way to play, putting your hands and fingers in the right place at the right time. Here are my best 10 tips for learning how to play the guitar with good technique. Some of them are kind of obvious, while others are the result of long experience. I hope they help.

10 Tips How to Play the Guitar with Good Technique

Pre hearing of some kind is necessary to play a violin or sing, but pianists can become very good without much ability in that area because they only need to press a key. After a key is played, the sound is there, no more shaping can occur. A passive relationship is accepted by the pianist,...
