Howard University (HU or simply Howard) is a private, federally chartered historically black university (HBCU) in Washington, D.C. It is categorized by the Carnegie Foundation as a research university with higher research activity and is accredited by the Middle States Commission on Higher Education.. From its outset Howard has been nonsectarian and open to people of all sexes and races.

Howard University - Wikipedia

"Howard University affords not only a structure but a foundation as well, for the human being. As a student you would always feel your connection to the legacy of the institution. You don't feel a part

of that legacy, but in truth you are. From the time you enter, you become a part of this living legacy that is Howard University.”

Howard University Home | Excellence in Truth and Service

The University-wide Core Curriculum was initiated in Fall 2001 as part of the Strategic Framework for Action to ensure that all Howard University undergraduates acquire effective skills in language, mathematics, the use of computers, critical thinking and communication.
