Harsh sentencing laws like mandatory minimums, combined with cutbacks in parole release, keep people in prison for longer periods of time. The National Research Council reported that half of the 222% growth in the state prison population between 1980 and 2010 was due to an increase of time served in prison for all offenses.

JUSTICE. jus'-tis (tsedhaqah; tshedheq; dikaiosune): The original Hebrew and Greek words are the same as those rendered "righteousness." This is the common rendering, and in about half the cases where we have "just" and "justice" in the King James Version, the American Standard Revised Version has changed to "righteous" and "righteousness."

Sentences for federal drug crimes are based on the quantity of the drugs involved, not the individual's role in the crime. The emphasis on quantity rather than the role of the offender, along with the conspiracy laws, too often result in disproportionate sentencing, even for first-time offenses such as the Garrisons'.
