You are so angry you refuse to act, and no one can ever make you do what you don't want to. This is as violent and destructive as a fist fight but so much more deniable and self-righteous. If you want to look good while doing bad, this is the approach for you, but don't be surprised if you get stuck in a long, painful, and destructive cycle.

### **Emotional Competency - Passive-Aggressive Behavior**

Business Assistants perform a wide range of office support functions, from making photocopies to putting together presentations. Once they have been on the job for a bit, good Business Assistants often are able to anticipate what actions will be required without being specifically told what to do.

Read what people are saying about the 2 Second Lean Book... Lean is not mean. It is the coming style of good management. Paul Akers explains how the system blurs the distinction and soothes the frictions between labor and management by enlisting the brainpower of all employees from the top to the bottom.

We spend too much time and waste too much energy in futile attempts to change what we cannot change. It is a major cause of frustration and other forms of anger. The rational evidence for determining what we can change and what we cannot is overwhelming, but our behavior often tries to defy this reason and logic. Behavior based on the lower two levels of the architecture for interaction model ...
