"Turtles all the way down" is an expression of the problem of infinite regress. The saying alludes to the mythological idea of a World Turtle that supports the earth on its back. It suggests that this turtle rests on the back of an even larger turtle, which itself is part of a column of increasingly large turtles that continues indefinitely (i.e., "turtles all the way down").

20 Reasons Life Gets Way Too Complicated

Introduction I've avoided the topic of astrology for a long time. Mostly it's for the same reasons I took so long to take on people like Hoagland and his Mars claims: there are just so many ridiculous ideas associated with the topic, I knew that it would be impossible to just dip my toes in. It's either stay out, or dive in all the way.
