4 THE CREATIONIST'S STORY. Creationists have established a theory of catastrophism, which attempts to explain the geological features and events by way of a worldwide, cataclysmic flood.Under this concept, earth history is dominated by catastrophism. The Flood, which covered the entire globe with water, had extinguished all life forms that were not saved within the Ark.

Dinosaurs are used more than almost anything else to indoctrinate children and adults in the idea of millions of years of earth history. However, the Bible gives us a framework for explaining dinosaurs in terms of thousands of years of history, including the mystery of when they lived and what happened to them. Two key texts are Genesis 1:24-25 and Job 40:15-24.
