### **Strategic Management Theory And Practice**

Strategic Management: The Theory and Practice of Strategy in (Business) Organizations S. Jofre  
Foreword The present report is the result of an ongoing study on the patterns and trends on both the theory and practice in the field of strategic management. The report focuses on three relevant issues regarding

### **Strategic Management: The theory and practice of strategy ...**

Unlike many other books on strategic management, the text is organized sequentially around the strategic management process. Readers begin with an assessment of the external environment, including industry, political-legal, economic, social, and technological influences on the organization.

### **SAGE Books - Strategic Management: Theory and Practice**

I used this text for a course on strategic management I took at SUNY Empire State College with Kesiah Scully. She's an excellent professor, so just about any text would work with her, but she is careful to select a text that's readily available and affordable, and with those criteria, I think this is about the best you're going to find.
