It is of real value to Webroot, that Technology Law Alliance genuinely has a deep understanding of the law as it relates to the underlying technology.

Technology Law Alliance | Technology Law Alliance ...

A patent is a form of intellectual property that gives its owner the legal right to exclude others from making, using, selling, and importing an invention for a limited period of years, in exchange for publishing an enabling public disclosure of the invention. In most countries patent rights fall under civil law and the patent holder needs to sue someone infringing the patent in order to ...

Patent - Wikipedia

LOCATER is a web-based poster-creation program that provides law enforcement agencies with access to create and distribute their own posters to include Missing Children, Missing Adults, AMBER Alert, Wanted, Crime Alert, and other additional titles.
