7 Steps to Ignite your Fierce Feminine @AnaiyaSophia by, Anaiya Sophia In the Beginning was Woman. She was wild and unruly. Tender and Expressive. She was free to speak and free to love. She was a savage beauty whose herstory became legend. Her Legend became myth. And for a very long period of time, she vanished from our knowledge. Girls and Women became pale imitations of their once great ...

Change is hard for people. In fact, people often don't embrace change unless: They experience enough pain that they're willing to endure it. They see the tangible gain for enduring the change. It's their idea. Steve Jobs once said, "For the past 33 years, I have looked in the mirror every morning and asked myself: 'If today were the last day of my life, would I want to do what I am ...
