A scale model aircraft is a reduced scale replica of a real flying machine – a plane, glider, helicopter, etc. Model aircraft is a broader term, referring to any small size unmanned aircraft. Basically, there are two major aircraft model groups: flying and non-flying. Flying model aircraft range from toy gliders built of foam polystyrene or cardstock to powered RC planes usually made of ...

The Mazda Wankel engines are a family of Wankel rotary combustion car engines produced by Mazda.. Wankel engines were invented in the early 1960s by Felix Wankel, a German engineer.Over the years, displacement has been increased and turbocharging has been added. Mazda rotary engines have a reputation for being relatively small and powerful at the expense of poor fuel efficiency.

By Mario Covalski. Tamiya Caterhams, a step by step guide for novices 1/12 scale The first Catherham from Tamiya coming to my hands at the end of 1994, was the "Cycle Fender Special" (10202), since the "Super Seven BDR was out of stock, and it was impossible for me to get it from the stores I used to buy kits. From that moment on, my affair with which, I think is the best scale car kit ...

British Stock-Car Racing from 1950's to 1970's. My JUNK SHOP principles: First, I don't gather photos from the Internet; everything on this site has been sent to me personally by a stock car or drag racing fan, making it a kind of community collection. Naturally, they may have donated their photos elsewhere as well.

A scale model is most generally a physical representation of an object, which maintains accurate relationships between all important aspects of the model, although absolute values of the original properties need not be preserved. This enables it to demonstrate some behavior or property of the original object without examining the original object itself.

A note about Pocher: Pocher's parent company Rivarossi was sold in 2000; soon after it filed for final bankruptcy, and most assets were sold to Hornby. The kits have not been produced since. All Pocher kits are hard to find and I rarely have them in stock. When I do find Pocher kits to sell, I offer them first to my email customer list [], and they are usually gone before I have a chance to ...
