The Early Days - Macintosh & the Rubberized Raincoat. It seems, that the 18th-century coachman's coat - which was also the predecessor of the greatcoat- was likely the forefather of the trench coat. Unlike modern designer garments, each characteristic feature of the trench was born out of practicality.

Ronnie James Dio was known for popularizing the sign of the horns in heavy metal. He claimed his Italian grandmother used it to ward off the evil eye (which is known in Southern Italy as malocchio). Dio began using the sign soon after joining the metal band Black Sabbath in 1979. The previous singer in the band, Ozzy Osbourne, was rather well known for using the "peace" sign at concerts ...
