Author Dan Pink points to an interesting new research finding — the happiest people are those that are very busy but don't feel rushed: Who among us are the most happy? Newly published research suggests it is those fortunate folks who have little or no excess time, and yet seldom feel rushed.

### **The Secret To Happiness Is Control - Business Insider**

An insider is a member of any group of people of limited number and generally restricted access. The term is used in the context of secret, privileged, hidden or otherwise esoteric information or knowledge: an insider is a "member of the gang" hence knows things outsiders don't, including insider jargon.

### **Insider - Wikipedia**

Down payment: the mere utterance of the term strikes dread in the hearts of many a homebuyer-to-be. Coming up with a down payment often seems like an obstacle that must be overcome, as it is the biggest test of our ability to save money most of us will ever face and it's a test that stands between us and our ability to become a homeowner.

### **5 Secret Sources of Down Payment Money - Business Insider**

Some people mistakenly believe that business conversations go more smoothly if they begin with reference to a shared cultural experience, such as a recent sporting event. Far from being sure-fire rapport-builders, such remarks can often fall flat. For example, there are some people (I'm one of them) who have absolutely no interest in sports.

### **The Secret To Being More Popular At Work - Business Insider**

Know your customers: No matter how big your business gets and how much staff you bring on, I always advise business owners and top management to stay as close to their customers as possible. Talking to customers one-on-one is the best way to truly take the pulse of the market, customer needs, and just how your company is doing.
