The Marked Body Domestic Violence

The relationship between Islam and domestic violence is disputed. Even among Muslims, the uses and interpretations of sharia, the moral code and religious law of Islam, lack consensus. Variations in interpretation are due to different schools of Islamic jurisprudence, histories and politics of religious institutions, conversions, reforms, and education.

Let's put it this way- I've know five couples to do this. Of the five, only one was able to go through therapy and fix the violence issues. The rest of them: one ended up where both parties were killed (murder-suicide), one where the partner had enough of the abuse and killed the abusive party (got off on justifiable homicide), and the other two are still in the same abusive relationship they ...

Introduction. Since the terrorist attacks of September 11, 2001 (9/11), domestic terrorists—people who commit crimes within the homeland and draw inspiration from U.S.-based extremist ideologies and movements¹—have not received as much attention from federal law enforcement as their violent jihadist counterparts. This was not necessarily always the case.
