The Harlem Renaissance was an intellectual, social, and artistic explosion centered in Harlem, New York, spanning the 1920s. At the time, it was known as the "New Negro Movement", named after The New Negro, a 1925 anthology edited by Alain Locke. The movement also included the new African-American cultural expressions across the urban areas in the Northeast and Midwest United States affected by ...

Four articles have caught my eye over the past few days. Each contains a worthwhile insight into our present economic situation. The first, from Reuters, points out that US economic growth over the past few years has relied almost exclusively on expanding the national debt. U.S. growth appears to be based “exclusively” on government, corporate and mortgage debt and the economy would have ...
