Namwali Serpell's *The Old Drift* (566 pages; Hogarth/Penguin Random House) is nothing short of a feat. The novel, which unfolds over several generations, is an alchemy of Zambian history, Afrofuturism, science, and fantasy. It is a triumphant and tragic retelling of the country's birth and a sage forecast of what the future might hold for Zambia.

Well of course my best of list would be filled with books by Conundrum Press but I can't choose between my babies so here is another list. No best of 2018 list in comics can ignore the monumental achievement Berlin by Jason Lutes. I've been following this series and stopped at one point so I could have it all collected to read through in one sitting.

The c-word, 'cunt', is perhaps the most offensive word in the English language, and consequently it has never been researched in depth. Hugh Rawson's Dictionary Of Invective contains the most detailed study of what he calls "The most heavily tabooed of all English words" (1989), though his article is only five pages long. Cunt: A Cultural History Of The C-Word is therefore intended as the ...
