Interesting Engineering Facts & Trivia - Amazing ...

The architecture of Liverpool is rooted in the city's development into a major port of the British Empire. It encompasses a variety of architectural styles of the past 300 years, while next to nothing remains of its medieval structures which would have dated back as far as the 13th century. Erected 1716-18, Bluecoat Chambers is supposed to be the oldest surviving building in central Liverpool.

Some vertical gardening means you're building temporary structures to grow upwards for the season like pole beans tunnels or teepees. Other times vertical gardening is building permanent structures like a metal trellis, pergola or cattle pannel archways.

Amazing Vertical Gardening Ideas | Family Food Garden

If there's anything the editors of BestMastersPrograms.org love more than classes and books, it's universities and libraries. It's no surprise, then, that university libraries rank right up there among our favorite places. We've researched the most interesting, intriguing, and beautiful college libraries from around the globe to come up with this list of the 50 [...]

The 50 Most Amazing University Libraries in the World ...

The Flatiron Building, originally the Fuller Building, is a triangular 22-story, 285-foot (86.9 m) tall steel-framed landmarked building located at 175 Fifth Avenue in the Flatiron District neighborhood of borough of Manhattan, New York City. Upon completion in 1902, it was one of the tallest buildings in the city at 20 floors high and one of only two "skyscrapers" north of 14th Street - the ...

As a garden designer and plant lover, one of my favorite garden elements is the garden trellis. A garden trellis can add so much charm and functionality to a garden. It offers supports for beautiful flowering or fruiting vines (such as rose or cucumber trellis), adds more growing area for small ...

21 Easy DIY Garden Trellis Ideas & Vertical Growing Structures

IL&FS is a great magic trick. A massive illusion till the method is revealed. That's when it all seems so obvious. So obvious that the sages of the Indian financial system, the bankers, the regulators and the company's big-daddy shareholders — LIC, Orix, and HDFC — should have seen this coming six years ago.

IL&FS: charismatic leader, complex structures, and a ...

Mars Anomalies. This section reveals the many unusual geographical features on the Martian surface that appear to be evidence of a once ancient civilisation that may have lived on the red giant.
