If you listen to Americans as they speak, you will often hear them say "you know" in strange places in a sentence. You might hear it at the beginning, middle, or end of a sentence.

### **What Do You Know About 'You Know?' - VOA**

A lot of job seekers fail the "What do you know about this company?" job interview question. Failing this question is a very, very big interview fail. Here's why many job seekers stumble: They haven't done much (or sometimes, any) research on a company, apart from reading the company overview in the job description, and maybe having a quick glance at the company's website.
