What Is Modernity In Literature

Modernity, a topic in the humanities and social sciences, is both a historical period (the modern era), as well as the ensemble of particular socio-cultural norms, attitudes and practices that arose in the wake of the Renaissance—in the "Age of Reason" of 17th-century thought and the 18th-century "Enlightenment". Some commentators consider the era of modernity to have ended by 1930, with ...

Postmodernity (post-modernity or the postmodern condition) is the economic or cultural state or condition of society which is said to exist after modernity (In this context, "modern" is not used in the sense of "contemporary", but merely as a name for a specific period in history). Some schools of thought hold that modernity ended in the late 20th century – in the 1980s or early 1990s ...

The characters in Tess of the D'urbervilles, a novel ((post?)modern) interpretation. This is an attempt to move away from the clichéd/ somewhat hackneyed and simplistic interpretation of the characters Overall One thing that emerges from the novel is the romantic impulse to travel back in time to the time of knights and castles which would provide a counter-point to the somewhat mundane ...
